

APS CUWiP 2017 at UCLA

Conference for Undergraduate Women in Physics

UCLA Luskin Conference Center, Los Angeles, CA, Jan 13 - 15, 2017

Photos courtesy of Old Dominion University and Wesleyan University

CUWiP is supported in part by the National Science Foundation (PHY-134662) and by the Department of Energy Office of Science (DE-SC0011076)

Explore a career in physics with:

- ♦ Panel discussions and workshops
- ♦ Science talks by women physicists
- ♦ Presentations and discussions about under-represented minorities and women in physics
- ♦ Laboratory tours
- ♦ Student poster session
- ♦ Networking opportunities
- ♦ Grad school and job seeking advice

Explore diverse careers with a Physics degree

Meet successful women with degrees in physics from all walks of life

Build skills to overcome challenges in physics

Application Deadline: October 14, 2016 at 8:59 p.m. PDT
